Amendment and Response

5

Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

10 Responsive to office action mailed June 23 2000, (PTO paper No. 4) please amend the
above identified US application as follows:

In the claims:

Please amend the following claim as follows:

- Sub 15 cl
1. **(Amended)** A method for automatic production of documentation for configurable computerized systems, comprising the steps of:
 - a) retrieving configuration parameters **from at least one configurable system** having values associated therewith, from a configurable system into a computer;
 - b) outputting explanatory text segments corresponding with at least one of said configuration parameters and the value associated with said parameter, to form [a document] **the documentation** or a portion thereof.
